Best Principal / Subject Head: English Additional Language Educator

Sanlam WOW Spelfees 2018 – Entry form

National Spelling Festival	20 October at the Stellenbosch University
-----------------------------------	--

Are the best spellers in your district from your school? Following the magnificent success of the 2017 spelling festival we are planning to make this year's competition even bigger and better by inviting your school to join this magnificent project, made possible by **Sanlam**. By exposing learners to language in a fun way, we are laying the foundation for a new generation of enthusiastic readers. At the same time, this is also the ideal way to boost the literacy levels of the participating schools.

Schools with learners whom are not English mother tongue speakers, and are in grade 6, 7 or grade 9, are eligible to participate. Each school is free to determine their own format – according to their capacity – in order to determine the winners of each grade. Learners are provided with spelling lists that vary in level of difficulty, with a specific number of words per category. These lists are compiled by subject specialists and experienced educators. The lists are available in electronic format and can be downloaded at www.woordfees.co.za. The grade winners of each school advance to a final for their respective circuits. Circuits are determined according to the division of schools within the educational districts. The winners of the circuit finals advance to the district competition, where the winners will compete to become the provincial champion. The various provincial winners will then compete at the **WOW-gala day on Saturday 20 October 2018** to be crowned as the **Sanlam WOW Spelfees Winner 2018**. The various circuit and district competitions are to be completed during the third school quarter. All dates are available on the website. Amazing cash and book-prizes are awarded to the different winners.

If you are interested in entering your school, please complete the accompanying form and fax it to **086 731 7981** or **086 273 6098** by **Friday 01 June 2018**. Participants, their parents and schools might be contacted by donors and their partners if necessary. All the information required, for example, the format and rules of the competition as well as the word-lists will then be sent to you. The word-lists will also be made available on the website. We would like to send the information packages as soon as possible to interested schools.

Sincere thanks. We would love to hear from you.

Friendly WOW-regards

Ω.
