Best Principal / Subject Head: English Additional Language Educator

Sanlam WOW Spelfees 2019 – Entry form

National Spelling Festival	19 October at the Stellenbosch University
-----------------------------------	--

Are the best spellers in your district from your school? Following the magnificent success of the 2018 spelling festival we are planning to make this year's competition even bigger and better by inviting your school to join this magnificent project, made possible by **Sanlam**. By exposing learners to language in a fun way, we are laying the foundation for a new generation of enthusiastic readers. At the same time, this is also the ideal way to boost the literacy levels of the participating schools.

Schools with learners in grade 6,7,8 & 9, whom are not English mother tongue speakers and are enrolled at school for English First Additional Language (EFAL) are eligible to participate. Each school is free to determine their own format – according to their capacity – in order to determine the winners of each grade. Learners are provided with spelling lists that vary in level of difficulty, with a specific number of words per category. These lists are compiled by subject specialists and experienced educators. The lists are available in electronic format and can be downloaded at www.woordfees.co.za. The grade winners of each school advance to a final for their respective circuits. Circuits are determined according to the division of schools within the educational districts. The winners of the circuit finals advance to the district competition, where the winners will compete to become the provincial champion. The various provincial winners will then compete at the **WOW-gala day on Saturday 19 October 2019** to be crowned as the **Sanlam WOW Spelfees Winner 2019**. The various circuit and district competitions are to be completed during the third school quarter. All dates are available on the website. Amazing cash and book-prizes are awarded to the different winners.

If you are interested in entering your school, please complete the accompanying form and fax it to **086 661 1653** by **Friday 31 May 2019**. All the information required, for example, the format and rules of the competition as well as the word-lists will also be made available on the website. We can also send the information packages to interested schools. Participants, their parents and schools might be contacted by donors and their partners if necessary. By entering this competition participants/guardians/ teacher also consent to being part of social media coverage of the WOW project with regards to this project.

Sincere thanks. We would love to hear from you.

Friendly WOW-regards

Ω.
